State Trading Corporation of India (STC)|Hindustan Vegetable Oils Corporation. Imports, distribution and their pricing will be made by the State Trading Corporation (STC)| Hindustan Vegetable Oils Corporation as per the connected policy of the Government in the Ministry of Food and Civil Supplies (Department of Civil Supplies). The approach of the Government is generally *not* to allow the import of oilseeds. However, due to the drought situation and the likely shortfall in the prodduction *it was proposed that* oilseeds limited to 0.5 million tonnes be imported through the National Dairy Development Board (NDDB) on gift basis only. The actual import of oilseeds would, however, depend upon aid availability and other details.
